The soils alternate from clay and limestone on the east side to amphibolite on the west side and hold a little humus. The perfect site for Grüner Veltliner!

### Weather / Climate

#### Vintage description:

The grape harvest started a little earlier than in the previous year, the main harvest took place between mid-September and the first week of October, the grapes were very ripe and healthy. Due to the heat, the berries were smaller, resulting in lower juice yields, but also more concentrated, denser and, in the case of the red wines, darker wines.

### Wine Description

Firm, nutty scent with slightly warm yellow fruity aromas, hints of smoke, nutty tones, pepper, root vegetables and minerality. Ripe, again quite firmly knitted fruit, clearly ethereal, partly herbal spiciness, salt, some pepper and floral notes, a hint of dark berries, lasting and powerful, sweet melting.
