## Wine Description

Carefully selected grapes from various vineyards form the backbone of the Grüner Veltliner Selektion. Spontaneously fermented in stainless steel tanks and matured on the fine lees until the New Year, the aim here is to represent the Grüner Veltliner variety in its classic, fresh and cheeky form. This is the very essence of cheeky Grüner Veltliner. Fresh and fruity with a lively acidity, this is a stimulating wine with good presence and a certain simplicity. Perfect as a partner for light dishes or simply enjoyed solo.

## Winery

We love our village of Grossriedenthal. It is the origin and the home of our wines. The surrounding countryside is our little world in which we wine growers farm various different sites. Since 1976, organic farming has been the foundation of our activities today, with biodynamic winemaking becoming part of our philosophy in 2023. We might look back, sideways, but we always keep our sights on the future. With our trust in nature, the joy we feel when working in the vineyards and the passion for making something extraordinary out of our grapes, we are creating wines that say a lot about their origins and about us. Honest, authentic and full of life. We are a member of OETW & Respekt BIODYN.
