Vintage 2022

Great reds and astonishing whites - A hot summer yields a “gigantic red wine vintage” and extraordinary whites. The wine experts of Alto Adige agree: 2022 will be a great vintage for full-bodied red wines in particular, which benefited from the exceptionally high temperatures last summer. But white wines, too, are doing surprisingly well in all areas of cultivation, turning out unusually powerful but still fresh and fruity. (Cons. Alto Adige Wine)

Curiosity

The name of this wine recalls one of the ancient names of the "Isarco" river. Ancient authors called the river "Eisack Isargus".

Food Pairing

Ideal pairings include elaborated appetizers, such as mushrooms, fish and fresh cheeses.
