

Neuburger Bambule! 2022

Bio-Wein aus Österreich

Wine Description

Neuburger is an autochthonous, Austrian grape variety, that has its origins in the Wachau area. It has been cultivated in Burgenland for a very long time, especially around lake Neusiedl. It's a grape variety with a naturally low acidity, that's why we like to work with macerations of 5-10 days followed by 1 year of ageing in amphoras. By doing this we obtain very intense, almost exotic fruit flavours and structuring tannins.

Wine Type:	Still wine white dry
Alcohol:	11.5 %
Residual Sugar:	1 g/l
Acid:	6.5 g/l
Certificates:	organic, respect - BIODYN
Allergens:	sulfites
Drinking Temperature:	12 - 14 °C
Aging Potential:	high (10 years)
Optimum Drinking Year:	2024 - 2031

Vineyard

Origin:	Austria, Neusiedlersee, Gols

EAN / carton 6: 9120018187263

Winery

Judith Beck is living and working in the vines. Not only because the enviable beautiful address of her winery at the end of the village Gols is called like that. Much more because she as a winemaker is convinced that the substantial qualities of a wine is developing in the vineyard. Therefore, she works since 2007 after biodynamic principles. In the cellar, Judith Beck tries with as few interventions as possible to "preserve and care for" what has matured in her vineyards in the Wagram, which is climatically favoured by Lake Neusiedl. She attaches great importance to expressing the typical fruit of her favourite varieties such as Zweigelt, Blaufränkisch, St. Laurent, Pinot Noir and Pinot Blanc in a unique way that is typical of the vintage. The result is wines with an unmistakable profile and character: substantial, structured, and multi-layered with good aging potential.
