

WAGENTRISTL

Rosa Sprudl 2022

Österreichischer Schaumwein

Wine Description

"The cheerful, uncomplicated Mamsell from Wagentristl. Every rendezvous with the amusing lady in pink is a fruity, sparkling pleasure."

Tasting Notes

Tempting candy pink. The scent is intensely fruity, wild strawberries, raspberries and candied lemon peel, mouthwatering even in the nose. On the palate again this has intense fruit, balanced sweetness and invigorating acidity, delicate perlage, wonderful fruity sweetness in the finish, simply fun!

Food Pairing

This fresh, fruity sparkling wine is a wonderful summer wine, but also works excellent as an aperitif or as a base for wine cocktails.

Wine Type:	sparkling wine rose dry
Alcohol:	12.5 %
Residual Sugar:	12 g/l
Acid:	6.4 g/l
Certificates:	vegan

Average Hours of Sun per	2102 hours
Vintage:	
Average Rainfall Per Vintage:	673 mm
Rainfall 2022:	421 hours
Sunshine 2022:	2179 hours

Vintage description:

The 2022 vintage was characterized by a warm, dry spring and a hot summer with occasional heat waves. Thanks to timely rainfall in August, the vines were able to complete their ripening process well. The harvest began somewhat earlier than average and yielded healthy, aromatically concentrated grapes with good acidity. Especially in the higher elevations of the Leitha Mountains, balanced conditions were found for elegant, mineral wines. Overall, the 2022 vintage promises wines with finesse, aging potential, and regional expression.

Harvest and Maturing

The base wine for Rosa Sprudl is made from juice extracted from our estate Zweigelt. The healthy, ripe grapes are picked exclusively by hand. In the cellar, the grapes are destemmed and lightly crushed. After a few hours on the skins, a part of the fresh must is drawn off from the mash tanks. The aromatic must obtained in this way is naturally clarified by settling (sedimentation). To preserve a maximum of fruitness and freshness the fermentation takes place in stainless steel at low temperature. Before the end of fermentation, this is interrupted by intensive cooling and filtration, so we get a subtle sweetness. The young wine is stored cooled in stainless steel tanks until bottling. During bottling, carbon dioxide is added to the base wine, so we get a fresh, fruity sparkling wine with natural sweetness.

Harvest:	handpicked September 13 - September 14
Malolactic Fermentation:	no
Fermentation:	stainless steel tank 16 - 18 °C
Skin Contact:	6 - 12 hour(s)
Filter:	filtered sterile
Sulfur Added:	yes
Maturing:	steel tank
Bottling:	screw cap 2400 x 0.75 l Lot Number: L 23/01
