basalt rock
volcanic rock
lime gravel

Vineyard Site:

Plateau on the southern foothills of the Stradnerkogel at 470 meters above sea level and a cool parcel of Riede Buch with west exposure, these very late-ripening grapes are characterized by a lot of wind and Weathered basalt soils with red clay. Fermentation with the skin of the berries, experience, patience and a lot of time create an extraordinary wine.

Optimum Drinking Year: 2027 - 2047

Wine Description

Fine spiciness of wood, orange peel underlaid with gooseberry notes, a hint of cassis, dark minerality, multi-faceted. / Juicy, firm, complex, acid structure rich in finesse, spicy, lingers on the palate for a very long time. /

Food Pairing

Prefer hearty dishes. / Rack of lamb on smoked red pepper cream and fried polenta

Winery

Old values – new paths. Wine has been pressed in our family for three generations. With boundless joy and deepest respect. 100 % Vulkanland Steiermark is our steadfast ideology: Only grapes from the Vulkanland Steiermark region are ever permitted into our cellars. Highest-quality wines with a distinctive personality and unambiguous origin are as much our goal as pure enjoyment with every sip. Our product palette may be subdivided into three categories: regional wines, represented by elegant, multifaceted classics; profound wines drawn from single vineyards Stradener Rosenberg, Buch, Steintal and Altes Steinkreuz; and local wines as an expressive happy medium between both of the aforementioned categories. With best wishes from, The Frauwallner Family
