Curiosity

The Koran forbids any consumption of wine, only in paradise one dreams of it: "Resting on soft divans they look around them; full of joy they drink pure, well-sealed wine, the sentence of which is sheer musk;... a wine mixed with water from the spring Tasnim, where the lucky ones refresh themselves... and the black-eyed Huris, chaste as hidden pearls, are waiting for you as a reward for your deeds".

Food Pairing

Ideal with asparagus dishes, onion soup, grilled and fried fish, snails or simply as an aperitif!

Vintage 2022

Great reds and astonishing whites - A hot summer yields a "gigantic red wine vintage" and extraordinary whites. The wine experts of AltoAdige agree: 2022 will be a great vintage for full-bodied red wines in particular, which benefited from the exceptionally high temperatures last summer. But white wines, too, are doing surprisingly well in all areas of cultivation, turning out unusually powerful but still fresh and fruity. (Cons. Alto Adige Wine)
