

Origin: Krems
 Site: Kremsleithen
 Site Type: steep slope
 Varietal: Grüner Veltliner 90 %
 Chenin Blanc 10 %
 Soil: sandy
 clay
 loess
 slate stone

Vineyard Site:

Kremsleithen is derived from the steep slope ("Leiten" in German) that runs down to the river Krems. It was first mentioned in records dating back to 1266 and is located at 300 meters above sea level and composed of loamy, sandy soil and clay.

CELLAR

Fermentation: spontaneous
 Malolactic Fermentation: yes
 Sulfur Added: yes
 Filter: unfiltered
 Maturing: 100 % | amphora | 10 month(s)

DATA

Wine Type: Still wine | white
 Alcohol: 12.5 %
 Residual Sugar: 0 g/l
 Acid: 4 g/l
 PH Value: 3.49
 Free Sulfur: 14 mg
 Total Sulfur: 46 mg
 Drinking Temperature: 7 °C
 Aging Potential: 3 years

WINE DESCRIPTION

This is a low intervention wine with notes of butter cream, brioche and lemon curd.

WINERY

Kapitel Zwei or “Chapter Two” is an experiment to organically and sustainably grow French grape varieties, including Chenin Blanc, Roussanne and Sémillon, and age them in amphora for one year. The grapes are handpicked from a single vineyard or “ried” called Kremsleithen. It was abandoned decades ago and was replanted in May 2022 – my premier vintage was bottled on 31 August 2024. Kapitel Zwei focuses on small production, low-intervention, organic wines.
