## **Curiosity**

The name "Ateyon" is a pure fantasy name; very melodic and meanwhile a synonym for our Parade white wine.

## **Food Pairing**

Ideal for sumptuous starters, white meat, fish - even grilled! Sophisticated risotti are also perfect companions.

## **Vintage 2023**

Great challenges, great wines - challenging weather brings out powerful reds and fruity whites. The 2023 vintage seems to corroborate one of Alto Adige's wine legends: years of great challenges are years of great wines. Out in the vineyards, 2023 was a year of major challenges, but winemakers expect strong reds with rich fruit flavors and intense colors as well as fresh and even fruitier whites than past vintages.
