| Soil: | moraine deposits granite |

Vineyard Site:

This morainic soils are a mixture of sand, clay, rock fragments, and minerals.

Cellar

Lively Rosé – Fruity, fresh, and effortlessly drinkable.

This rosé is crafted from the saignée of Lagrein, Merlot, and Vernatsch. Gentle, cool fermentation preserves the grapes' vibrant fruit aromas, while the slow fermentation retains a fine, natural residual sweetness. Six months of ageing on the fine lees in used wooden barrels lend the rosé additional structure and depth.

Wine Description

Bright pink red, intensive scent of strawberries, cherries, ripe pears. Slightly tart in taste, fresh, fruity and elegant on the palate. A summer wine that is easy to drink, especially as an aperitif.

Food Pairing

Goes well with spicy starters and light dishes with fish, white meat and summery vegetable salads or with a vegan roasted potato salad with crispy cauliflower and artichokes on a fine hummus sauce with lots of fresh herbs.

Winery

For over 30 years, the Kränzelhof in Tschermers has been producing wine on-site and also offers a garden to visit, featuring rotating art exhibitions and culinary experiences at the Miil and Essbar restaurants.
