Residual Sugar:	6.9 g/l
Acid:	5.3 g/l
Drinking Temperature:	6 - 8 °C
Optimum Drinking Year:	2025 - 2027

Wine Description

Pale copper in color with fine, persistent mousse. The nose reveals an elegant bouquet of strawberry confit, wild berries, red currant, and lime zest – playful and finely detailed. Juicy and vibrant on the palate with notes of red rhubarb, apple, and lively acidity. Cassis and citrus carry through to a finish marked by stone fruit and subtle texture. A structured rosé sparkling wine with freshness, character, and charm.

Food Pairing

Doesn't have to be a food companion – also ideal on its own as an aperitif. But if you're in the mood for something alongside: green asparagus with vinaigrette, light summer dishes, or elegant grilled options pair beautifully with its freshness and clarity.
