

Grüner Veltliner Seeberg 2023

Wine Description

This special wine comes from one of our best sites: the Langenloiser Seeberg, a very stony soil with little clay in 350m above sea level. In our vineyards on the Seeberg we work very carefully during the whole year. We take away the surplus clusters in the summer and aim for a good relation between grapes and leaves. This is important for a good assimilation and maturity. The Seeberg is always the last site we harvest. The Seeberg Veltliner consists 100% of Gruener Veltliner grapes. After some hours maceration and spontaneous fermentation the wine was racked in a big old oak barrel to mature for 1 year before it was bottled. We recommend to store it for 1-2 years before you open the first bottle. It is also good to decant the wine before drinking. Usually, the Gruener Veltliner Seeberg develops its full character when it gets some air. The Seeberg Veltliner is a good companion to hot and spicy food.

Wine Type: Still wine | white | semidry

Alcohol: 12.5 %

Residual Sugar: 10.2 g/l

Acid: 7.3 g/l

Total Sulfur: 49 mg

Certificates: organic, Demeter

Allergens: sulfites

Drinking Temperature: 12 - 14 °C

Aging Potential: 2030 years

Vineyard

Origin: Austria, Kamptal, Mollands

Quality grade: Kamptal DAC Reserve, Bio-Qualitätswein

Site: Seeberg

Normal Classification: Lagenwein

Harvest and Maturing

Harvest handpicked

Fermentation: spontaneous

Malolactic Fermentation: yes

Maturing oak barrel | used barrel | 12 month(s)
