

# MERLOT ALTE REBEN 2023

## Wine Description

In the early 1990s, our grandfather became captivated by the Bordeaux classic Merlot. As a result, cuttings from his travels in France found their way into our vineyards. In the Pannonian climate, Merlot finds the ideal conditions to produce the highest quality year after year. We skillfully showcase its warm, almost powerful character. After 18 months of barrel aging, it reveals the juicy, opulent, and inviting fruitiness that makes it a favorite among lovers of full-bodied red wines.

## Tasting Notes

Fresh red cherry fruit, red wild berries, delicate herbal notes, fresh orange zest. Juicy, ripe cherries, fine tannins, subtle fruit sweetness, a mineral-salty finish.
