Sunshine 2023:

2084 hours

Vintage description:

The 2023 vintage began with a cool, rainy spring, which ensured slow, even development of the vines. The summer was moderately warm with sufficient moisture, largely avoiding drought stress. A sunny, stable autumn enabled a late, selective harvest under ideal conditions. The grapes presented themselves aromatically, freshly, and perfectly balanced. 2023 is considered a classic, very harmonious vintage with clear fruit and elegant structure.

Harvest and Maturing

The grapes for this wine are harvested separately according to variety and origin. The selective harvest of the ripe, healthy grapes is carried out exclusively by hand. In the cellar, the grapes are destemmed and crushed. A short maceration time of a few hours is followed by gentle pressing. The resulting fresh must is naturally clarified by settling (sedimentation). To preserve a maximum of fruitness and freshness the fermentation takes place in stainless steel at low temperature. After fermentation, the young wine is racked off the full yeast and allowed to rest on the fine yeast for around three months. The wine is then clarified/filtered and prepared for bottling.

Harvest:	handpicked September 12 – September 22
Malolactic Fermentation:	no
Fermentation:	selected yeast stainless steel tank 18 – 20 °C
Skin Contact:	2 – 24 hour(s)
Filter:	filtered fine
Sulfur Added:	yes
Maturing:	stainless steel tank
Time on the Fine Yeast:	3 month(s)
Bottling:	screw cap Feb. 20, 2024 1656 x 0.75 l Lot Number: L No5847/24
