

WAGENTRISTL

Pinot Noir 2023

Qualitätswein, Regionswein

Wine Description

The grapes for this Pinot Noir ripen on the gentle slopes of the Leitha Mountains on calcareous soils. The mostly old vines produce an elegant, delicate and spicy Pinot style.

Tasting Notes

Floral-scented nose, elegant cherry aromas, wild strawberry, chiseled, fruity-fresh, great Pinot interpretation in a cool and pointed style

Food Pairing

This Pinot Noir goes perfectly with poultry dishes such as duck or chicken. Salmon or grilled trout also harmonize well with the fresh fruitiness and fine tannin structure of the wine. The Pinot Noir offers a balanced accompaniment to stronger cheeses such as Camembert or Brie.

Wine Type:	Still wine red dry
Alcohol:	12.5 %
Residual Sugar:	1.5 g/l
Acid:	4.7 g/l
Certificates:	vegan
Allergens:	sulfites
Drinking Temperature:	16 °C
Aging Potential:	medium
Optimum Drinking Year:	2025 - 2028

Award

Sunshine 2023:	2084 hours

Vintage description:

The 2023 vintage began with a cool, rainy spring, which ensured slow, even development of the vines. The summer was moderately warm with sufficient moisture, largely avoiding drought stress. A sunny, stable autumn enabled a late, selective harvest under ideal conditions. The grapes presented themselves aromatically, freshly, and perfectly balanced. 2023 is considered a classic, very harmonious vintage with clear fruit and elegant structure.

Harvest and Maturing

After the selective hand-picking, the majority of the grapes are destemmed and lightly crushed, a small portion is used as whole grapes. The resulting mash is then fermented in stainless steel tanks, during fermentation the mash is pumped over (remontage) two to three times a day. Depending on the batch, the maceration time is one to two weeks. The young wine is then stored in large and small oak barrels, where it undergoes malolactic fermentation and is allowed to mature for one year before the wine is clarified/filtered and prepared for bottling.

Harvest:	handpicked September 13 - September 15
Fermentation:	partly spontaneous
Malolactic Fermentation:	yes
Mash Fermentation:	partly destemming stainless steel tank 1 - 2 week(s) 26 - 28 °C
Skin Contact:	2 - 3 week(s)
Filter:	filtered fine
Sulfur Added:	yes
Maturing:	65 % barrel 500 - 2600 L 12 month(s)
Bottling:	screw cap March 11, 2025 Lot Number: L 01 No9945/25
