## Vintage 2023

Great challenges, great wines - challenging weather brings out powerful reds and fruity whites. The 2023 vintage seems to corroborate one of Alto Adige's wine legends: years of great challenges are years of great wines. Out in the vineyards, 2023 was a year of major challenges, but winemakers expect strong reds with rich fruit flavors and intense colors as well as fresh and even fruitier whites than past vintages. ## Curiosity

This PIWI grape variety is a cross between Seyval Blanc and Zähringer. Seyval Blanc is a French hybrid variety; Zähringer is an old cross between Traminer and Riesling.
