

WAGENTRISTL

Weißer Vielfalt 2023

Qualitätswein, Regionswein

Wine Description

Our "Weißer Vielfalt" is made from typical Austrian varieties. Grüner Veltliner, Müller - Thurgau, Muskateller and Co. make an invigorating, fresh white wine with multi-layered aroma.

Tasting Notes

Light green-yellow; Inviting on the nose, grapey fruit, apples, ripe pears, citrus fruits and elderflower; fruity and light-footed on the palate with a fresh acid structure, very stimulating.

Food Pairing

Ideal for light starters, salads and summer dishes. A wonderful aperitif and summer wine.

Wine Type:	Still wine white dry
Alcohol:	11.5 %
Residual Sugar:	2.7 g/l
Acid:	6 g/l
Certificates:	vegan
Allergens:	sulfites
Drinking Temperature:	8 - 10 °C
Aging Potential:	small
Optimum Drinking Year:	2024 - 2026

Vineyard

Vineyard Site:

Burgenland, Austria's sunniest wine-growing region, impresses with its diversity and quality. Famous for full-bodied red wines, elegant white wines and fine sweet wines, it combines tradition and innovation in a picturesque landscape.

Vintage description:

The 2023 vintage began with a cool, rainy spring, which ensured slow, even development of the vines. The summer was moderately warm with sufficient moisture, largely avoiding drought stress. A sunny, stable autumn enabled a late, selective harvest under ideal conditions. The grapes presented themselves aromatically, freshly, and perfectly balanced. 2023 is considered a classic, very harmonious vintage with clear fruit and elegant structure.

Harvest and Maturing

The grapes for this wine are harvested and processed partly together (Müller-Thurgau, Grüner Veltliner, and Muskat Ottonel) and partly separately by variety and vineyard site (Gelber Muskateller). The selective picking of ripe, healthy grapes is carried out exclusively by hand. In the cellar, the grapes are destemmed and crushed. A short maceration period of a few hours is followed by gentle pressing. The resulting fresh must is naturally clarified by sedimentation. Fermentation takes place under controlled cooling, ensuring particularly fruit-preserving vinification in stainless steel tanks. After fermentation, the young base wines are racked off the gross lees, blended, and allowed to rest on the fine lees for about two months. The wine is then clarified/filtered and prepared for bottling.

Harvest: handpicked | September 12 - September 22
Malolactic Fermentation: no
Fermentation: selected yeast
stainless steel tank | 18 - 20 °C
Skin Contact: 2 - 24 hour(s)
Filter: filtered | fine
Sulfur Added: yes
Maturing: stainless steel tank
Time on the Fine Yeast: 3 month(s)
Bottling: screw cap | Feb. 20, 2024 | 1422 x 0.75 L | Lot Number: L 01
No5845/24
