

N.V. VERJUS LOVELY TO DRINK MUSKATELLER

STEININGER

Origin:	Austria, Kamptal
Site:	Vineyards from the village of Langenlois
Varietal	Muskateller 100 %
Soil	loam alluvial gravel

Vineyard Site:
Various vineyards around Langenlois combine loess, primary rock and limestone. The result is a wine with origin, tension and refined minerality.

Cellar

crafted with care

The early-harvested grapes are carefully picked, gently pressed and meticulously filtered. The result is a fine, clear juice that serves as a versatile source of acidity in the kitchen – fresh, elegant and alcohol-free.

harvest

In early September, we harvest the Muskateller grapes by hand while they still carry high acidity and low sugar – the ideal foundation for a refreshing Verjus.

Harvest handpicked

Data

Wine Type: Non-alcoholic option | white

Certificates: Sustainable Austria

Wine Description

Fragrant, sparkling, and refreshing! A youthful, bright yellow with almost white-yellow reflections. Pleasant grapey aromas finely interwoven with delicate muscat, citrus, grapefruit, and a hint of exotic fruit. On the palate, lively carbonation, sweet-sour tension, and subtle piquancy create freshness and an inviting flow. An alcohol-free aperitif with aromatic charm and elegant lightness.

Food Pairing

Serve well chilled as a refreshing aperitif or an elegant alternative to sparkling wine. It pairs beautifully with light summer starters, fresh salads, grilled vegetables, or delicate fish dishes. Its lively acidity makes it a versatile companion in the kitchen.

Fragrant, sparkling and alcohol-free – our Muscat Verjus enchants with floral notes, vibrant acidity and aromatic lightness. The elegant alternative for any occasion!
