Vintage 2025

The distinctive characteristics of the 2025 vintage stem from a mild spring, which led to very rapid growth. The 2025 white wine vintage is characterised by slender wines with moderate alcohol content, high, invigorating acidity and pronounced mineral freshness. Thanks to optimal weather conditions and precise harvesting, the wines impress with their elegance and longevity, with Sauvignon Blanc considered particularly outstanding.

Curiosity

The name of this wine recalls one of the ancient names of the "Isarco" river. Ancient authors called the river "Eisack Isargus".

Food Pairing

Ideal pairings include elaborated appetizers, such as mushrooms, fish and fresh cheeses.
