

Weingut Schreibeis

In our winery Schreibeis – Keller am Gaisberg – we continue with fresh ideas. The “Next Generation” with Edwin Schreibeis brings their experience to our winegrowing family ... visited the Vinohak Wine School in Krems, worked for 6 years at Sepp Moser Winery, Rohrendorf, as a cellar master, passed the master examination for wine-growing and cellar master in 2012, gained experience abroad in New Zealand at Framingham Winery in 2014 and completed the organic certificate course at the Krems School of Viticulture in 2015. Edwin Schreibeis joined our family winery Schreibeis in the middle of 2014 and has been responsible for the wines and the vinification in the cellar since the vintage 2017.
